A strong start. Support that lasts all year.

Our fall giving campaign brings families and neighbors together to support Montlake students.

Campaign details coming soon

[What your support makes possible](#) [Choose the way that works for your family](#)[Past campaigns and spring giving](#)

The Annual Fund is Montlake PTA's fall giving campaign. Families, friends, and neighbors help support the school day through direct gifts and employer matching.

[Skip to content](#)

Dates, a goal, and giving instructions for the next campaign have not been announced yet. You can still support Montlake through our [year-round giving options](#).

What your support makes possible

PTA fundraising supports staffing, student programs, classroom needs, scholarships, and community events. Read [how the PTA budget works](#) for funding context and budget contacts.

Choose the way that works for your family

One-time and recurring gifts, employer matching, and checks are welcome. Find current payment and mailing instructions on our [Donate page](#). Ask your employer whether it matches donations or volunteer hours.

Every family belongs, whether or not they make a financial gift. Questions about giving or a fund designation? Email fundraising@montlakepta.org.

Past campaigns and spring giving

The [Fall 2025 campaign archive](#) preserves that campaign's dates, goals, and funded programs. Those figures are historical, not an announcement for the next campaign.

The [Spring Auction](#) is another way our community supports the school.
