Your gift moves through the whole school day.

PTA funding fills practical gaps and makes more of the Montlake experience possible.

75–80%

Staffing support

The largest share of the PTA budget helps fund people and services not fully covered by the district.

All year

Student experiences

Art, music, academic support, enrichment, supplies, library books, equipment, and special projects.

Every family

Access and belonging

Scholarships, welcoming events, family support, and resources that help everyone participate.

Ways to give

Every method supports the same school community. Employer matching can make a gift or volunteer time go even further.

Recurring or one-time online gifts

Choose a one-time gift or smaller automatic monthly gifts by credit card or bank account. Recurring contributions help the PTA plan reliably throughout the school year.

Employer matching

Many employers—including Google, Microsoft, Apple, Symetra, and Alaska Airlines—match donations through **Benevity** or another giving portal. Some employers also match volunteer hours. Contact your HR team, or email **fundraising@montlakepta.org** if the PTA needs to verify your gift.

Check

Checks avoid processing fees. Send a check in an envelope marked “Montlake PTA Annual Fund” through backpack mail, or mail it to:

Giving is welcome. Belonging is not conditional.

Every Montlake family is a full member of this community, regardless of whether or how much they donate. PTA support also includes scholarships support for schools with fewer fundraising resources.
